

What a Selfish Jerk!

What kind of person would take up an entire bench and leave a woman standing with a baby in her arms?

Is this guy self-absorbed or completely clueless ?

In today's world, the drive to get ahead in business... in life, really... can become an all-consuming occupation. We often forget about the important things: like treating others the way we want to be treated.

People may get so angry with you they may say they will never forgive you. But God is ready and waiting to show you His love and forgiveness.

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.
(John 3:16)

Your career is temporary, but the love of God is eternal. Seek to know God through Jesus Christ today.
